Enclosure(s)

FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum includes information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes additional standard responses that apply to all requests for records on individuals. Part 3 includes general information about FBI records. For questions regarding Parts 1, 2, or 3, visit the www.fbi.gov/foia website under "Contact Us." Previously mentioned appeal and dispute resolution services are also available at the web address.

Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIA [5 U.S.C. § 552(c) (2006 & Supp. IV (2010))]. FBI responses are limited to those records subject to the requirements of the FOIA. Additional information about the FBI and the FOIPA can be found on the www.fbi.gov/foia website.
- (ii) **National Security/Intelligence Records.** The FBI can neither confirm nor deny the existence of national security and foreign intelligence records pursuant to FOIA exemptions (b)(1), (b)(3), and PA exemption (j)(2) as applicable to requests for records about individuals [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2); 50 U.S.C § 3024(i)(1)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that national security or foreign intelligence records do or do not exist.

Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching those systems or locations where responsive records would reasonably be found. A reasonable search normally consists of a search for main files in the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled and maintained by the FBI in the course of fulfilling law enforcement, intelligence, and administrative functions. The CRS spans the entire FBI organization and encompasses the records of FBI Headquarters (FBIHQ), FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide and includes Electronic Surveillance (ELSUR) records. For additional information about our record searches visit www.fbi.gov/services/information-management/foipa/requesting-fbi-records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheets. These criminal history records are not the same as material in an investigative "FBI file." An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at www.fbi.gov/about-us/cjis/identity-history-summary-checks. Additionally, requests can be submitted electronically at www.edo.cjis.gov. For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **The National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private citizens cannot request a name check.

VIA LIAISON

Date: October 6, 1959
To: Atomic Energy Commission
From: John Edgar Hoover, Director
Subject: EDMUND GERALD BROWN,
Also Known As "Pat" Brown
ATOMIC ENERGY ACT - APPLICANT

Reference is made to your letter dated September 30, 1959. No investigation has been conducted by this Bureau relative to Edmund Gerald Brown; however, the following information received by this Bureau may be pertinent to your inquiry:

The February 13, 1945, issue of the "San Francisco Chronicle," a San Francisco newspaper, reported that Brown, then District Attorney, opposed the deportation of Harry Bridges, a west coast labor leader accused of membership in the Communist Party.

An article appearing in the August 9, 1949, issue of the "San Francisco Chronicle" announced that Brown had been elected vice president of the San Francisco Chapter of the National Lawyers Guild. The National Lawyers Guild has been cited as a communist front by the House Committee on Un-American Activities.

This Bureau is in possession of a letterhead entitled "Salute to Young America Committee," which was a committee, according to the letterhead, to sponsor a second anniversary dinner of the American Youth for Democracy (AYD) at San Francisco. This letterhead lists Brown as a member of the Committee in Formation. The informant who made the letterhead available to this Bureau stated that Brown was being considered by the Communist Party in San Francisco as a speaker for this committee (no further details available).

In March, 1946, this Bureau was furnished a copy of a letter dated January 10, 1946, written by a veterans group at the University of San Francisco, which criticized Brown for

Atomic Energy Commission

permitting his name to be listed as a sponsor of a banquet on November 10, 1945, at the St. Francis Hotel, San Francisco, in honor of the AYD. In reply, Brown by letter dated February 1, 1946, stated that he knew that the Young Communist League (YCL) or some similar organization had participated in the formation of the AYD. He then called an official of the AYD to determine if it was communistic in either origin or intent. According to Brown, the official advised him that the AYD "was not in any manner, shape or form communistic although some members of the Young Communist League had at one time belonged." Brown added, "I have refused at all times to become a sponsor of any organization or any meeting until I first investigated its background." The AYD and the YCL have been designated by the Attorney General of the United States pursuant to EO 10450.

The Assistant Chief of Staff, Intelligence, U.S. Army, has advised this Bureau that on June 14, 1946, the Mobilization for Democracy sponsored a public meeting at the Olympic Auditorium in Los Angeles, California, at which Brown spoke. The Mobilization for Democracy has been cited as one of the "key communist fronts in California" by the California Committee On Un-American Activities; Report 1947.

Brown advised this Bureau on July 5, 1956, that he was opposed to any provision giving the individual states the right to prosecute subversives. He felt that they were incapable and inadequately equipped to handle such a job. He added, "I assure you that I recognize the menace of subversive activities and I desire to do all in my power to aid and assist you as well as other security agencies of our Government."

The foregoing information is furnished to you as a result of your request for an FBI file check and is not to be construed as a clearance or nonclearance of the individual involved. This information is furnished for your use and should not be disseminated outside of your agency.

Title: EDMUND GERALD BROWN CA - 15757

Character: AEAA

Synopsis: GOODWIN J. KNIGHT, former Governor of California, commented favorably concerning the applicant's loyalty, character and reputation and stated that to his knowledge, the applicant was never knowingly associated with individuals or organizations of questionable reputation or loyalty. Applicant reportedly spoke at a meeting sponsored by the Mobilization for Democracy in Los Angeles in June, 1946.

- RUC -

DETAILS:

MISCELLANEOUS

On May 16, 1960, Mr. GOODWIN J. KNIGHT, former Governor of California, 540 South Arden Boulevard, Los Angeles, California, advised that he has known the applicant for approximately the past 25 years. He stated that he was associated professionally with the applicant between 1951 and 1958, during which period the applicant was serving as Attorney General of the State of California and he (KNIGHT) was serving as Lieutenant Governor and subsequently Governor of California. He related that BROWN succeeded him as Governor of California in January, 1959.

Mr. KNIGHT continued that his contact with the applicant over the years has been on a limited social basis as well as a professional one and even though they have had their political differences in being associated with different political parties, he has always regarded the applicant as a man of the highest integrity whose morals,

LA 116-67059

personal habits, reputation and loyalty are above reproach. In addition, Mr. KNIGHT stated that he has never known the applicant to knowingly be associated with persons or organizations of questionable reputation and loyalty.

By report dated June 20, 1946, U. S. Army Intelligence advised that the Mobilization for Democracy on June 14, 1946 sponsored a "Stop the Klan" meeting at Olympic Auditorium, Los Angeles, California. According to this report, EDMUND BROWN, District Attorney of the City and County of San Francisco, was introduced at this meeting and spoke briefly. This report indicated that BROWN complimented Los Angeles on "its great meeting tonight" and said he was "going to try to have the same kind of meeting in San Francisco."

The Third Report on Un-American Activities in California, 1947, on page 369 describes the Mobilization for Democracy as one of "the key Communist fronts in California."

ANONYMOUS LETTER FILE

Re San Francisco teletype to Director, 8/16/60.

On August 16, 1960 the California Attorney General's Office, Sacramento, California, advised receipt of an anonymous letter postmarked "Hinton, West Va., 2 PM, Aug. 8, 1960" addressed to "Gov. EDMUND G. BROWN, The Executive Mansion, Sacramento, California," which contained two postcards bearing handprinted message starting "GOV. BROWN: Recently someone very dear....." and signed "Sincerely, Justice, Inc."

The facts in this case were presented to AUSA, Sacramento, who declined prosecution, stating there was no violation of the Extortion Statute.

As a matter of cooperation with Governor's and Attorney General's Office, State of California, it is requested that the enclosed envelope and postcards be searched through the Anonymous Letter File and this office advised of the results, so the above agencies can be so advised. Many persons in Governor's and Attorney General's office handled material, so no request being made for fingerprint examination.

You will recall
our conversation relative
to infiltration of Democratic

Pat Brown (Attorney)
tells me he has set up a
system to get F. B. I.
records of suspected
infiltrators. These he will
pass along to Alan

Cranston will try to prevent
infiltration. But has
Cranston been cleared?

Attorney General Brown, with a brief letter of August 15, 1958, forwarded the Director a copy of a letter dated August 13, 1958, addressed to Stanley B. Schrotel, Chief of Police at Cincinnati, by Mr. Ronald Beattie, Chief of the Bureau of Criminal Statistics at Sacramento. Brown indicates that Mr. Beattie's letter makes clear their position and observes that if there is anything the FBI "can do to resolve the situation, I am sure it will be appreciated by all law enforcement officers in this state."

Ohio You will recall that Schrotel wrote Beattie concerning critical phraseology appearing in the annual publication "Crime in California, 1957" which states on page 13 with reference to the use of 1950 population figures by the FBI that "this presents California in an unjustifiably unfavorable light..." Schrotel took exception to "unjustifiably."

This same thing was mentioned in the Director's letter of August 21, 1958, to Attorney General Brown in setting forth the background for the Director's remarks to a representative of the "San Diego Union" on August 11.

Beattie's letter of August 13 to Schrotel refers to the phrase "unjustifiably unfavorable light" in their publication and indicates that it is not the first time that displeasure has been expressed over the use of decennial census data in the Uniform Crime Reports. We have been aware of this problem at the Bureau and have pointed out in the Uniform Crime Reports bulletin in recent years that marked changes in the population of many states have occurred since 1950 and have pointed out what effect this has in the calculation of crime rates and any comparisons based on them.

REC-12

62-76249-46

Also, in February of 1952 Professor Thorsten Sellin wrote the Director and among other things suggested that the annual census estimates for the United States be used in calculating rates rather than the decennial census figures, and the Director replied that the rates in the Uniform Crime Reports bulletin were so
